Section 3. Other Members. Developer reserves the right to (i) include and burden other real estate ("Other Real Estate") that it may develop as a part of the Fawn Meadows subdivision with similar covenants, restrictions and limitations as are contained in this Dedication, and (ii) include the owners of said other real estate ("Other Owners") in the Association, and the Association shall accept such Other Owners, as equal members with the same rights (voting and otherwise), privileges and obligations (including without limitation the payment of Assessments in the same manner as set forth in this Dedication). In the event that Other Owners are included in the Association pursuant to this section, the number of memberships and votes in the Association shall be increased by the number of lots added from the Other Real Estate.

Section 4. Purposes. The Association shall have the following purposes:

- a. To establish an association of the Owners of Lots, and the Other Owners, if any, in Fawn Meadows subdivision;
- b. The Board of Directors shall manage the affairs of the Association. Until such time as the Association is incorporated by the Developer and a Board of Directors is elected for the Association, the Developer shall have all the powers and duties granted to the Association and the Board of Directors in this Dedication.

ARTICLE IV

COMMUNITY ASSOCIATION - COVENANT FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Except the Developer, each Owner of a Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association, or to the Developer prior to the formation of the Association, annual assessments or charges ("Annual Assessment"), and any Special Assessment under Section 5, to be paid on January 1 of each year (hereinafter called "Annual Payment Date") or otherwise as the Association may elect from time-to-time. The Annual Assessments and any Special Assessment (collectively "Assessment" or Assessments"), together with interest, costs, and reasonable attorneys' fees, shall be a charge on

the land and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to any successor-in-title unless such successor(s) expressly assumes the same.

Section 2. Purpose of Assessments. The Assessments shall be used exclusively to effectuate the duties and purposes of the Association as set forth in this Declaration)and in any recorded covenants governing the Other Real Estate if Developer exercises its right to include Other Owners in the Association pursuant to Article III, Sectio 3 above), and in its Articles of Incorporation and/or By-Laws, including without limitation, all activities determined by its Board of Directors to be necessary or advisable related thereto such as securing insurance and/or accounting and legal services for the Association. All Assessments shall be used exclusively for the purposes expressed in this Dedication, and all things reasonably related thereto, including, without limitation, to pay the cost of improvement, maintenance and repair of the Common Areas, and in particular, the cost of labor, equipment and materials, supervision, security, lighting, insurance, taxes, and all other things necessary or desirable in the opinion of the Board of Directors of the Association in connection therewith.

Section 3. Maintenance Standard for Common Area. The Common Area may contain storm water detention/retention pond(s), and other common area. The Association shall provide all maintenance and repairs as may be required from time-to-time to allow any storm water detention/retention pond(s) to function in the manner in which they were designed. In addition, the Association shall provide other maintenance activities or improvements to the Common Area as it deems appropriate from time-to-time, including without limitation, mowing and landscaping maintenance.

Section 4. Maximum Annual Assessment.

- a. Until January 1, 2027, the maximum Annual Assessment on any Lot shall be One Hundred Dollars (\$100.00).
- b. From and after January 1, 2027, the maximum Annual Assessment may be increased each calendar year by the Board of Directors (or by the Developer if the Association is not yet formed) by a percentage that is not more than twelve percent (12%) above the Annual Assessment that was charged during the previous calendar year, without a vote of the membership.
- c. From and after January 1, 2027, the maximum Annual Assessment may be increased by a percentage in excess of twelve percent (12%) above the Annual Assessment that was charged during the previous calendar year only upon approval of the Board of Directors (or by the Developer until the Association is formed) and a majority of the votes of the Members who are voting in person or by proxy, at a meeting duly called for this purpose.
- d. As determined by the Board of Directors from time-to-time, a portion of the Annual Assessments may be set aside or otherwise allocated to a reserve fund for the purpose of providing funds for future capital improvements, operating deficits and/or other repairs and maintenance.

Section 5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the Annual Assessment authorized above, the Association may levy a special assessment ("Special Assessment") for any capital improvement(s) within the powers or duties of the Association or for the purpose of paying, in whole or in part, any operating deficit(s) which the Association may from time-to-time incur, provided that any Special Assessments shall have the approval of a majority of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Notice and Quorum for any Action Authorized Under Sections 4 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 5 of this Article IV shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting or as otherwise required by the Articles of Incorporation and By-Laws of the Association. At the first such meeting called, the presence of members, in person or by proxy, entitled to cast fifty percent (50%) or more of all the votes of the Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. In the event of a conflict between (i) the provisions of this Dedication and (ii) the Articles of Incorporation and/or By-Laws of the Association, the Articles of Incorporation and By-Laws shall control.

Section 7. Uniform Rate of Assessments. Except as provided below, Annual and Special Assessments must be fixed at a uniform rate for all Lots. Assessments shall be collected on an annual basis unless otherwise determined by the Board of Directors from time-to-time. Notwithstanding the foregoing, there shall be no Annual Assessments or Special Assessments assessed against any Lot owned by the Developer and the Developer shall not owe any Assessment at any time to the Association.

Section 8. Date of Commencement of Assessments. The Monthly Assessment provided for herein shall commence as to each Lot as follows: (i) for Lots not owned by the Developer, on the first day of the first month following the recording of this Dedication; and (ii) for Lots owned by the Developer, on the first day of the first month following the initial conveyance of such Lot by the Developer to a third party. The Association's Board of Directors shall fix any increase in the amount of the Monthly Assessment at least thirty (30) days in advance of the effective date of such increase. No Special Assessments shall be made against any Lot prior to the date on which Monthly Assessments against that Lot first commenced. Written notice of Special Assessments and such other Assessment notices shall be sent to every Owner subject thereto. The due dates for all Assessments shall be established by the Association's Board of Directors. The Association (or the Developer until the Association is formed) shall upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association (or Developer, as applicable) setting forth whether the Assessments on a specified Lot have been paid or are delinquent. A properly executed certificate regarding the status of Assessments chargeable against any Lot shall be binding upon the Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. If any Annual Assessment or Special Assessment (or installment if applicable) is not paid on the date when due, then the entire unpaid Assessment shall become delinquent and shall become, together with interest thereon and cost of collection, including reasonable attorney's fees, a continuing lien on the applicable Lot assessed and it shall be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment became due. The personal obligation of the Owner to

pay such Assessments shall remain the Owner's personal obligation and shall not pass to successors in title unless expressly assumed.

If the Assessment is not paid within thirty (30) days after the due date, the Assessment shall bear interest from the due date the rate of twelve percent (12%) per annum, and the Association (or the Developer until the Association has been commenced) may (i) record a Notice of Lien against the Lot in the office of the Recorder of Wells County, Indiana, which Notice of Lien shall perfect the lien of the Association and have the same force and effect as, and shall be enforced in the same manner as, a mortgage lien under Indiana law, and shall include the right to recover attorney's fees, title expenses, interest and all other costs of collection; and/or (ii) bring legal action against the Owner to collect all sums due and/or to foreclose the lien against the Lot. In any successful legal proceeding, the Association and/or the Developer that brought the legal proceeding shall be entitled to recover all its reasonable attorney's fees, costs and expenses incurred.

No Owner may waive or otherwise escape liability for the Annual Assessment and/or Special Assessment provided for herein by non-use of the Common Area, refusal to allow the Association to perform any action or by abandonment of the Lot.

Section 10. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any prior first lien mortgage and purchase money mortgage. Sale or transfer of any Lot shall not affect the Assessments' lien. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any prior mortgage on such Lot (without the necessity of joining the Association or the Developer in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all Assessments becoming due prior to the date of such sale or transfer.

ARTICLE V

COMMUNITY ASSOCIATION - ARCHITECTURAL CONTROL COMMITTEE

Section 1. Applicability. This Article V shall apply only to only Lots 18 through 46, inclusive, in Fawn Meadows Section 1 (collectively "Single- Family Lots"). The Villa Lots shall be governed by the Villa Association Architectural Control Committee established in Article IX of this Dedication.

No Living Unit, Building, Structure, Antenna/Panel, fence, wall, pole, pool, trampoline, or other improvement or structure of any kind, temporary or permanent, ("Improvement") shall be constructed or placed on any Single-Family Lot or attached in any manner to a Living Unit, Building or Structure thereon, nor shall any exterior addition, change or

alteration ("Alteration") be made to a Living Unit, Building, Structure or Improvement on a Single-Family Lot until plans and specifications ("Plans") for the Improvement and/or Alteration showing the nature, kind, shape, dimensions, height, materials, color and location (collectively "Specifications") are submitted to and approved by the Committee in writing as to the harmony of the Improvement's/Alteration's Specifications with Fawn Meadows Section 1 subdivision, in general, and, more specifically, to the other Living Units therein. The Committee may not approve any Improvement or Alteration that is otherwise specifically prohibited by the terms of this Dedication without properly amending the Dedication according to the provisions of Article XI.

Section 4. Timing. Within thirty (30) days after receipt of written Plans and Specifications that clearly set forth all of the information required to be submitted under Section 3 above, the Committee must approve or reject the Plans in writing delivered to the Owner requesting the approval. In the event that the Committee fails to act within the thirty (30) day time frame, no approval will thereafter be required for the exact Plans submitted provided that the Owner who submitted the Plans has an appropriately dated delivery receipt signed by a current member of the Committee and a copy of such receipt is delivered to the Association prior to beginning the Improvement or Alteration. Notwithstanding the foregoing, the Committee's failure to act shall not permit an Improvement or Alteration that is otherwise prohibited by the terms of this Dedication.

Upon the transfer of ownership of any Villa Lot, membership shall pass to the subsequent owner with the ownership of the Villa Lot. All members of the Villa Association, except the Developer, shall be obligated to pay assessments to the Association in accordance with Article VIII of this Dedication and shall be bound by all of the other terms of this Dedication. Section 3. Other Members. Developer reserves the right to (i) include and burden other real estate that it may develop as villaminiums ("Other Villa Real Estate") as a part of the Fawn Meadows subdivision with similar covenants, restrictions and limitations as are contained in this Dedication, and (ii) include the owners of the Other Villa Real Estate ("Other Villa Owners") in the Villa Association, and the Villa Association shall accept the Other Villa Owners, as equal members with the same rights (voting and otherwise), privileges and obligations (including without limitation the payment of Assessments in the same manner as set forth in this Dedication). In the event that Other Villa Owners are included in the Association pursuant to this section, the number of memberships and votes in the Villa Association shall be increased by the number of lots added from the Other Villa Real Estate.

When more than one (1) person holds an interest in a Villa Lot or in a lot in the Other Villa Real Estate, all such persons shall be Villa Members, but the single vote for

such Villa Lot or lot in the Other Villa Real Estate shall be exercised as they among themselves determine. In no event shall more than one (1) vote be cast with respect to Villa Lot or lot in the Other Villa Real Estate.

ARTICLE VIII

VILLA ASSOCIATION - COVENANT FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Villa Assessments. Except the Developer, each Owner of a Villa Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Villa Association, or to the Developer prior to the formation of the Villa Association:

- a. Monthly assessments or charges ("Monthly Villa Assessments"); and
- b. Special assessments pursuant to Section 4 below ("Special Villa Assessments").

The Monthly Villa Assessments and Special Villa Assessments, (collectively "Villa Assessment" or "Villa Assessments"), together with interest, costs, and reasonable attorneys' fees, shall be a charge on, and shall be a continuing lien upon, the Villa Lot against which each such Villa Assessment is made. Each such Villa Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Villa Lot at the time when the Villa Assessment became due. The personal obligation for delinquent Villa Assessments shall not pass to any successor-in-title unless such successor(s) expressly assumes the same.

Section 2. Purpose of Villa Assessments. The Villa Assessments shall be used exclusively to effectuate the duties and purposes of the Villa Association as set forth in this Declaration (and in any recorded covenants governing the Other Villa Real Estate if Developer exercises its right to include Other Villa Owners in the Villa Association pursuant to Article VII, Section 3 above), and in its Articles of Incorporation and/or By-Laws, including without limitation, all activities determined by its Board of Directors to be necessary or advisable related thereto such as securing insurance and/or accounting and legal services for the Villa Association.

Section 3. Maximum Monthly Villa Assessments.

- a. Until January 1, 2027 the maximum Monthly Villa Assessment on any Villa Lot shall be One Hundred Fifty Dollars (\$150.00).
- b. From and after January 1, 2027, the maximum Monthly Villa Assessments may be increased each calendar year by the Villa Association Board of Directors by a percentage that is not more than twelve percent (12%) above the Monthly Villa Assessment that was charged during the previous calendar year, without a vote

of the membership.

- c. From and after January 1, 2027, the maximum Monthly Villa Assessment may be increased by a percentage in excess of twelve percent (12%) above the Monthly Villa Assessment that was charged during the previous calendar year only upon approval of the Villa Association Board of Directors and a majority of the votes of the Members who are voting in person or by proxy, at a meeting duly called for this purpose.
- d. As determined by the Villa Association Board of Directors from time-to-time, a portion of the Monthly Villa Assessments may be set aside or otherwise allocated to a reserve fund for the purpose of providing funds for capital improvements, operating deficits and/or repairs and maintenance.

Section 4. Special Villa Assessments for Capital Improvements and Operating Deficits. In addition to the Monthly Villa Assessments authorized above, the Villa Association may levy a Special Villa Assessment for any capital improvement(s) or repairs within the powers or duties of the Villa Association or for the purpose of paying, in whole or in part, any operating deficit(s) which the Villa Association may from time-to-time incur, provided that any Special Villa Assessments shall have the approval of a majority of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article VIII shall be sent to all Villa Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting or as otherwise required by the Articles of Incorporation and By-Laws of the Villa Association. At the first such meeting called, the presence of Villa Members, in person or by proxy, entitled to cast sixty percent (60%) or more of all the votes of the Villa Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. In the event of a conflict between (i) the provisions of this Dedication and (ii) the Articles of Incorporation and/or By-Laws of the Villa Association, the Articles of Incorporation and By-Laws shall control.

Section 6. Uniform Rate of Villa Assessments. Except as provided below, Monthly Villa Assessments and Special Villa Assessments must be fixed at a uniform rate for all Villa Lots and lots in the Other Villa Real Estate. Monthly Villa Assessments shall be collected on a monthly basis unless otherwise determined by the Villa Association Board of Directors from time-to-time. Notwithstanding the foregoing, there shall be no Monthly Villa Assessments or Special Villa Assessments assessed against any Villa Lot owned by the Developer.

Section 7. Date of Commencement of Monthly Villa Assessments. The Monthly Villa Assessment provided for herein shall commence as to each Villa Lot on the first day of the first month following the initial conveyance of such Villa Lot by Developer. The Villa Association Board of Directors shall fix any increase in the amount of the Monthly Villa Assessment at least thirty (30) days in advance of the effective date of such increase. No Special Villa Assessments shall be made against any Villa Lot prior to the date on which Monthly Villa Assessments against that lot first commenced. Written notice of Special Villa Assessments and such other Villa

Assessment notices as the Villa Association Board of Directors shall deem appropriate shall be sent to every Villa Owner subject thereto. The due dates for all Villa Assessments shall be established by the Villa Association Board of Directors. The Villa Association (or the Developer, as applicable until the Villa Association is formed) shall upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Villa Association (or Developer, as applicable) setting forth whether the Villa Assessments on a specified Villa Lot have been paid or are delinquent. A properly executed certificate from the Villa Association regarding the status of Villa Assessments chargeable against any Villa Lot shall be binding upon the Villa Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Villa Assessments: Remedies of the Villa Association. If any Villa Assessment (or installment of such Villa Assessment, if applicable) is not paid on the date when due, then the entire unpaid Villa Assessment shall become delinquent and shall become, together with interest thereon and cost of collection, including reasonable attorney's fees, a continuing lien on the applicable Villa Lot assessed and it shall be the personal obligation of the person who was the owner of such Villa Lot at the time when the Villa Assessment became due. The personal obligation of the Villa Owner to pay such Villa Assessment shall remain the Villa Owner's personal obligation and shall not pass to successors in title unless expressly assumed.

If the Villa Assessment is not paid within thirty (30) days after the due date, the Villa Assessment shall bear interest from the due date at the rate of twelve percent (12%) per annum, and the Villa Association (or the Developer until the Association has been commenced) may (i) record a Notice of Lien against the applicable Villa Lot in the office of the Recorder of Wells County, Indiana, which Notice of Lien shall perfect the lien of the Villa Association and have the same force and effect as, and shall be enforced in the same manner as, a mortgage lien under Indiana law, and shall include the right to recover attorney's fees, title expenses, interest and all other costs of collection; and/or (ii) bring legal action against the Villa Owner to collect all sums due and/or to foreclose the lien against the Villa Lot. In any successful legal proceeding, the Villa Association and/or the Developer shall be entitled to recover all its reasonable attorney's fees, costs and expenses incurred.

No Villa Owner may waive or otherwise escape liability for the Villa Assessments provided for herein for any reason, including without limitation, by non-use of any Common Area (if any), refusal to allow the Villa Association to perform its maintenance obligations or by abandonment of the Villa Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the Villa Assessments provided for herein shall be subordinate to the lien of any prior first lien mortgage or purchase money mortgage. Sale or transfer of any Villa Lot shall not affect the Villa Assessment lien. No sale or transfer shall relieve such Villa Lot from liability for any Villa Assessments thereafter becoming due or from the lien thereof, provided, however, the sale or transfer of any Villa Lot pursuant to the foreclosure of any such prior mortgage on such Villa Lot (without the necessity of joining the Villa Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all Villa Assessments becoming due prior to the date of such sale or transfer.

ARTICLE IX

VILLA ASSOCIATION - ARCHITECTURAL CONTROL COMMITTEE

Section 1. Applicability. This Article IX shall only apply to the Villa Lots.

Section 2. Composition. The Villa Association Architectural Control Committee ("Villa Committee") shall be composed of up to three members. During the time that the Developer owns any Villa Lot or any lot in the Other Villa Real Estate, the Villa Committee shall be appointed by the Developer provided, however, Developer may by written notice to the Villa Association transfer its power of appointment of the Villa Committee to the Villa Association at any time. Thereafter, the members shall be appointed by the Villa Association Board of Directors. The Villa Committee may appoint one member to act for it in any or all matters, as the Villa Committee may, in its absolute discretion, decide from time-to-time.

Section 3. Authority. No Living Unit, Building, Structure, Antenna/Panel, fence, wall, pole, pool, spa, hot tub, whirlpool, trampoline, or other improvement or structure of any kind, temporary or permanent, ("Improvement") shall be constructed or placed on any Villa Lot or attached in any manner to a Living Unit, Building or Structure thereon, nor shall any exterior addition, change or alteration ("Alteration") be made to a Living Unit, Building, Structure or Improvement on a Villa Lot until plans and specifications ("Plans") for the Improvement and/or Alteration showing the nature, kind, shape, dimensions, height, materials, color and location (collectively "Specifications") are submitted to and approved by the Villa Committee in writing as to the harmony of the Improvement's/Alteration's Specifications with the other Villa Lots, in general, and, more specifically, to the other Living Units thereon. The Villa Committee may not approve any Improvement or Alteration that is otherwise specifically prohibited by the terms of this Dedication without properly amending this Dedication according to the provisions of Article XI.

Section 4. Timing. Within thirty (30) days after receipt of written Plans and Specifications that clearly set forth all of the information required to be submitted under Section 3 above, the Villa Committee must approve or reject the Plans in a writing delivered to the Owner requesting the approval. In the event that the Villa Committee fails to act within the thirty (30) day time frame, no approval will thereafter be required for the exact Plans and Specifications submitted provided the Owner that submitted the Plans (i) has an appropriately dated delivery receipt signed by a current member of the Villa Committee, (ii) delivers a copy of such receipt to the Villa Association prior to beginning the Improvement or Alteration, and (iii) that the proposed Improvement/Alteration is not otherwise specifically prohibited in whole or in part by the terms of this Dedication.
