Section 6. Uniform Rate of Assessments. Both monthly and special assessments for capital improvements and operating deficits must be fixed at a uniform rate for all lots and may be collected on a monthly basis.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A

properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or monthly installment of such assessment, if applicable) is not paid on the date when due (pursuant to Section 7 hereof), then the entire unpaid assessment shall become delinquent and shall become, together with such interest thereon and cost of collection thereof as hereinafter provided, a continuing lien on such lot assessed, binding upon the then Owner, his heirs, devisees, successors and assigns. If the Assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of twelve per cent (12%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the Lot, or both, and there shall be added to the amount of such assessments the costs of preparing and filing the Complaint in such action; and in the event a Judgment is obtained such Judgment shall include interest on the assessments as above provided and a reasonable attorneys' fee to be fixed by the Court, together with the costs of the action in favor of the prevailing party.

No Owner may waive or otherwise escape liability for the assessment provided for herein by abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first lien mortgage and any purchase money mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any said mortgage on such lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

ARTICLE IV MAINTENANCE

Section 1. Maintenance by Owners. The Owner of each Lot shall furnish and be responsible for, at his own expense, all the maintenance, repairs, decorating and replacements within his living unit, including the heating and air conditioning system and any partitions and interior walls. Each Owner shall repair any defect occurring within his living unit which, if not repaired, might adversely affect the adjoining living unit. He also shall be responsible for the maintenance, repair and replacement of all windows in his residence and also the doors leading into the residence, including garage doors, and any and all other maintenance, repair and replacements of the improvements on his Lot which the Association is not required to perform; provided, that any change in the color of exterior doors and garage doors, window frames and other exterior of a living unit which is the Owner's obligation to maintain must be first approved in writing by the Board of Directors of the Association. No Owner shall make any alterations or additions to the exterior of his living unit nor perform exterior maintenance thereof required to be performed by the

Association without the prior written approval of the Board of Directors of the Association. Further, no Owner shall make any alterations to and within his respective living unit which would affect the safety or structural integrity of the building in which the living unit is situated or to which it is attached.

To the extent that equipment, facilities and fixtures within any Lot shall be connected to similar equipment, facilities or fixtures affecting or serving other Lots, then the use thereof by the Owner of such Lot shall be subject to the rules and regulations of the Association. The authorized representatives of the Association or Board of Directors or the manager or managing agent for the Association shall be entitled to reasonable access to any Lot as may be required in connection with maintenance, repairs or replacements of or to any equipment, facilities or fixtures affecting or serving other Lots.

Section 2. Exterior Maintenance Obligations of Association with Respect to Lots. The Association shall provide exterior maintenance only upon each Lot which is subject to assessment hereunder, as follows: paint, repair, replace and care for roofs, exterior building surfaces of living units, and other exterior maintenance, and snow removal from the paved portions of said driveways and service walks. Such exterior maintenance shall not include glass surfaces, doors, and doorways, windows, and window frames and any exterior concrete drives and walks or the replacement thereof, only maintenance.

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, guests or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject.

ARTICLE V INSURANCE

Section 1. Casualty Insurance. Each Owner of a Lot shall be responsible for, shall purchase and continuously maintain a casualty insurance policy or policies affording fire and extended coverage insurance such Owner's properties and all living units thereon, in an amount equal to the full replacement cost.

Certificates or evidence of such insurance coverage shall be filed with and be kept on file with the Association. The Association will at least annually review the amount and type of such insurance and upon written notice and request each Owner shall purchase such additional insurance as the Board of Directors of the Association in its discretion deems necessary to provide the insurance coverage herein required. If an Owner fails to provide such requested additional insurance, the Association shall cause such full replacement value to be determined by a qualified appraiser and shall purchase any required additional insurance and the cost of such appraisal and additional insurance shall be levied against and included in the monthly maintenance assessments for such Lot.

Section 2. Liability Insurance. The Association shall also purchase a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive public liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association, all Owners and all other persons entitled to occupy any Lot.

The Association shall also obtain any other insurance required by law to be maintained, including but not limited to workmen 's compensation insurance and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, its Board of Directors and any managing agent acting on behalf of the Association. Each Owner shall be deemed to have delegated to the Board of Directors his right to adjust with the insurance companies all losses under policies purchased by the Association.

Section 3. Fidelity Bond. The Association shall further purchase and continuously maintain a fidelity bond containing errors and omission coverage, for the benefit of all Owners and their mortgagees protecting them against any and all damages, costs and expenses, including reasonable attorneys' fees, which they or any of them may suffer or incur by reason of:

- (a) The defalcation, misapplication or conversion of monies paid by Owners to the Association or its Board of Directors or of monies received by the Association, its Board of Directors, or any officers, employee or agent thereof to be held in trust for owners and/or their mortgagees; and
- (b) The failure of the Association, its Board of Directors, any officer, employee or agent to faithfully perform all of the Association's duties and responsibilities hereunder, including, but not limited to, failure to maintain casualty insurance as herein required on any living unit.

Section 4. Monthly Assessment for Insurance. The premiums for all such insurance and bonds hereinabove described shall be paid by the Association and the pro rata cost thereof shall become a separate monthly assessment to which each Lot owned by Association members shall be subject under the terms and provisions of Article III. Each Owner of a Lot conveyed to him by Declarant shall prepay to the Association at the time his Lot is conveyed to him an amount equal to thirteen (13) monthly insurance assessments and shall maintain such prepayment account at all times. The Association shall hold such funds in escrow for the payment for the required insurance. When any such policy of insurance hereinabove described has been obtained by or on behalf of the Association, written notice of obtaining the same and of any subsequent changes therein or termination thereof shall be promptly furnished to each Owner and mortgagee whose interest may be affected thereby, which notice shall be furnished by the officer of the Association who is required to send notices of meetings of the Association.

Section 5. Distribution to Mortgagee. In no event shall any distribution of insurance proceeds be made by the Board of Directors directly to an Owner where there is a mortgagee endorsement on the certificate of insurance. In such event, any remittances shall be to the Owner and his mortgagee jointly.

Section 6. Additional Insurance. Each Owner shall be solely responsible for and may obtain such additional insurance as he deems necessary or desirable at his own expense affording coverage upon his personal property and the contents of his living unit (including, but not limited to, all floor, ceiling and wall covering and fixtures, betterments and improvements installed by him), and for his personal liability, but all such insurance shall contain the same provisions for waiver of subrogation as referred to in the foregoing

provisions for the master casualty insurance policy to be obtained by the Association. Each Owner may obtain casualty insurance at his own expense upon his Lot but such insurance shall provide that it shall be without contribution as against the casualty insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of the proceeds which would otherwise be payable on the insurance purchased by the Association pursuant to this paragraph due to prorating of insurance purchased by an Owner under this paragraph, the Owner agrees to assign the proceeds of this latter insurance, to the extent of the amount of such reduction, to the Association to be distributed as herein provided.

Section 7. Casualty and Restoration. Damage to or destruction of any living unit, lot or other improvements due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association under no lien construction contracts and the proceeds of insurance, if any, shall be applied for that purpose.

Section 8. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty are not adequate to cover the costs of repair and reconstruction of any living unit suffering casualty damage, or in the event there are no proceeds, the costs of restoring the damage and repairing and reconstructing any living unit so damaged or destroyed shall be borne by the respective Owner or Owners of such living unit to the full extent of the additional costs and expenses of such restoration, repair or reconstruction over and above the insurance proceeds allocable to said living unit. If any Owner refuses or fails to make the required repairs necessary to restore any casualty damage, and shall leave his living unit in a state of disrepair, the Association shall complete the restoration and pay the cost thereof through an assessment against the other Owners which assessment shall be considered a special assessment constituting a lien on the living units of that Owner or those Owners who refuse or fail to make such repairs or restoration at the time required by the Association's Board of Directors and the Association may, in the same manner as provided for the collection of other assessments, foreclose such lien or otherwise proceed to collect the amount thereof from said defaulting Owners for the benefit of and on behalf of the other Owners who have paid such additional costs of restoration or repair.

For purposes of Section 7 above, repair, reconstruction and restoration of any living unit shall mean construction or rebuilding as it existed immediately prior to the damage or destruction and with the same or similar type of architecture.

Section 9. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used, in the maintenance of the properties, or, in the discretion of the Board of Directors, may be distributed to the Owners of the living units affected and their mortgagees who are the beneficial Owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

ARTICLE V PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of a living unit upon the properties and placed on or abutting upon the dividing line between the Lots, as such dividing line was created by the conveyance of said unit, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The costs of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. Subject to the provisions of Article IV thereof, if a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Each Owner shall have an easement in common with each other Owner to use all pipes, wires, ducts, cables, conduits, utility lines and other common facilities located in or on any other Lot and serving his Lot.

Section 2. Easement for Maintenance. The Association shall have the irrevocable right to have access to each living unit (servient unit) from time to time during reasonable hours as may be necessary for the maintenance, repair, or replacement of any wall, roof or other structural component of an adjacent living unit (dominant unit) which shares a

common roof or common wall with the servient unit and is accessible from or through such servient unit.

The Association shall also have such irrevocable right of access to each living unit for the purpose of making emergency repairs therein necessary to prevent damage to an adjacent living unit. In the event that the Association is not required under the terms of these covenants to perform the necessary repair, maintenance or replacement of the wall or other structural component of a dominant unit or it fails to commence the work of such repair, maintenance or replacement within a reasonable time after demand therefore by the Owner of the dominant unit, then the Owner of said dominant unit shall have for the purposes of performing such work the same irrevocable right of access to the servient unit as is granted herein to the Association.

ARTICLE VIII GENERAL PROVISIONS

Section 1. Right of Enforcement. - (a) change in the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner;
- (b) change the provisions herein governing the exterior maintenance of living units, walks, lawns, etc.;
- (c) allow the Association to maintain fire and extended insurance coverage on living units in an amount less than the full insurable value thereof (based on current replacement cost).

This Declaration shall be effective and binding for a period of twenty (20) years from the date of recordation in the Office of the Recorder of Whitley County, Indiana, and shall automatically extend for successive period of ten (10) years each unless prior to the expiration of any such ten-year period it is amended or changed in whole or in part as

hereinabove provided. Invalidation of any of the covenants, conditions and restrictions of this Declaration by judgment or decree shall in no way affect any of the other provisions hereof, but the same shall remain in full force and effect.

Section 3. Mortgagee Rights. Any lender or lenders holding a first mortgage or purchase money mortgage upon any Lot or Lots may, jointly or singly, pay any overdue premiums on any hazard, casualty, liability or other insurance policies, or secure new insurance coverage on the lapse of any policies for any living units mortgaged to them. Any such lender or lenders making payments in accordance with this section shall be entitled to immediate reimbursement therefore from the Association along with any costs incurred, including reasonable attorneys' fees.

Section 4. Notice to Mortgagees. The Association, upon request, shall provide written notification to any lender holding a first mortgage or purchase money mortgage upon any Lot specifying the defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, which default has not been cured within sixty (60) days.
